

World

Hong Kong was guaranteed freedom of speech, assembly, and an independent judicial system for fifty years after the 1997 handover from the UK to China. With increasing pro-democracy movements and unrest, China has instituted new security measures that many see as an end to those freedoms. **Pray** for the church during this time of fear and disappointment.

International Partners

Honduras

The Honduran Church is serving those dealing with economic hardship because of Covid-19. As a conference, they are working on their process of sending missionaries. **Pray** for them as they are salt and light in their communities and beyond.

Macau

The community of Living Stone Church continues to mourn the death of a founding leader of the church. Pray as they walk through this time of grief together. As Covid-19 has created more than usual fear and frustration with those not from Macau, **pray** that the church would be a place of welcome and love.

UB Global Staff

Jana H.

Jana is dealing with the many restrictions that Covid-19 had placed on her usual interactions with local friends. **Pray** for creativity as she looks for new opportunities.

Aaron and Caitlan

Aaron and Caitlan serve through Dynamic Church Planting International in Southeast Asia where they train church planters in the region. They were evacuated at the end of March and are currently in California. **Pray** for Aaron, Caitlan, and their three children as they remain faithful while so much is uncertain. **Pray** as they are expecting baby number 4 this fall.

Volunteers and Trips

Experience

With the spread of the coronavirus, closing of borders, and cancellations of flights, our short-term trips are off through the summer and fall. We'll have news out soon of a new opportunity to grow in your faith in God and love for others through a virtual trip called *Experience*.

Unreached People Groups

Each issue, we highlight and focus prayer for one major unreached people group. May the Spirit break through the hard soil in these places & peoples and bring about a transformation!

Pakistan

Over 8,000,000 Sayyid live in Pakistan. They are Muslim and are said to trace their lineage directly to Mohammad's sister. They are traditionally priests and religious leaders. More recently, many are in government service, teaching, and business occupations. **Pray** that God would call believers to bring the Gospel to them, especially those who are living away from their home.
